GREAT DANE BREWS AVAILABLE STATEWIDE!

GOTTA GETTA DANE

Yup... the stories are true... Great Dane beers are now available in twelve-ounce cans. You'll find six-packs of our Hopsconsin Red Ale and German Pilsner, as well as specialty drafts available at over three hundred restaurants, vendors and fine merchants throughout Wisconsin! Best of all, our coolers are stocked - so you can carryout six-packs from any of our Great Dane locations.

The Great Dane is offering six-packs of our **Scotch Ale** beer throughout the fall and winter. Also, be on the lookout for cans of our seasonal specials and the return of **Crop Circle Wheat** in late spring.

HOPSCON SIN

Our new Hopsconsin Red Ale is Great Dane's homage to our state's growing hop renaissance. Brewed with 100% Wisconsin grown Nugget, Chinook and Cascade hops, along with Wisconsin Malt.

GERMAN PILSNER

Clean, crisp and refreshing! Our golden lager is an authentic German-style pilsner. Brewed with only the finest malts and the famous German Hallertau Mittelfrüh hop.

WHAT'S A CROWLER?

We are excited to be one of the first businesses in Wisconsin to feature Crowler machines at four of our locations. We fill 32-ounce aluminum cans with Dane beer and seal them right at the bar for guest carryout. Crowlers can go where glass Growlers can't...
