We recently went directly to the source and created an expert Kids tasting panel. We asked our little "Chefs" what they would like to see featured on our new children's menu.

Contributor: Chef Evie | Age: 3

When asked about the Spaghetti & Meatballs, Evie replied, "I love meatballs! - I love meatballs! - I love meatballs! - I love meatballs!" After careful consideration, we couldn't agree more with Evie's culinary insights and limited, yet passionate assessment. Thanks Evie! We love meatballs too, almost as much as you do!
